Dear Parents,

Extra-Curricular Activities – Autumn 2023

We have a range of clubs on offer for the autumn term. Extra-curricular activities are important as they enable your child to explore their physical, creative and social interests. Please encourage your child to try something new.

The table below details what clubs are available. Places are limited in clubs so do make your selection carefully. We will try our best to accommodate the children's choice/s but places are limited.

The clubs will start on **Monday 18th September** and will run until **Friday 1st December 2023**. Clubs start at 3.20pm and finish at 4.20pm. We encourage engagement and commitment. Due to the number of children requesting a place for clubs, if a child misses more than two sessions the space will be reallocated. Please can you encourage your child to commit to all ten sessions to ensure the success of the club.

Pupils should be collected by an adult **on time** from their designated collection point. If your child is collected late on more than one occasion then the place in the club may be lost. Children in Year 5 and Year 6 can walk home if you give permission to do so until the October half-term. However, following this they should be collected from school. Additionally, Year 5 and Year 6 pupils should not collect younger siblings from a club.

Please sign your child up for a club via your Arbor Portal/App now ensuring you have read everything and agree to send your child. **No more than 2 clubs** should be selected for your child, this is to ensure fairness for all. Please note booking a place closes at 4pm on **Thursday 14th September**. You will automatically be informed that your child has a place and this will show on your child's calendar.

It is important that all pupils follow our Hazelbury school values during the activities in order to ensure fun and enjoyment for all.

Yours sincerely,

Jack Kennedy

Lead Sports Coach
