

Hazelbury Primary School

Year 3 Newsletter Autumn Two 2023

Year 3's learning experiences from Autumn One

Venus class enjoyed experimenting with creating natural inks.

Saturn class loved using a variety of scales to measure.

Jupiter class enjoyed making and investigating 3D shapes.

Mars class enjoyed a workshop looking at natural inks.

Neptune enjoyed the opportunity to cast votes for family MP.

What will your child be learning about this half term?

In English we will be reading the children will be learning to write narratives and poems.

In Maths we will be focusing on mental addition and subtraction, multiplication and division, fractions telling time and learning to recognise angles.

Our topic in science is 'rocks. Children will be learning to compare and group rocks. They will also be describing fossils and how they are formed.

Our learning quest this half term is, *'How have natural disasters changed the world?'* We will be focusing on learning skills in geography. We will be investigating and exploring how and why natural disasters happen and the effects that these events can have on the world.

In music our focus will be on Exploring and developing playing skills using the glockenspiel.

In PE we will be doing OAA and Fundamentals.

In RE we will be learning about Hinduism and the main beliefs that they share.

In French we will learning about getting to know you.

In computing we will be developing our own stop frame animations.
