Year 4 Newsletter Autumn Two 2023

Year 4 Learning Experiences

The pupils in Year 4 had some fantastic learning experiences in the first half of the Autumn term. All of the children enjoyed our Ancient Egyptian performance from the Hobgoblin theatre company. In the first photo you can see Jubilee class watching enthusiastically. The children of Piccadilly class loved learning about digestion in science, and they especially enjoyed using eggs to investigate the effect of different substances on our teeth. In Elizabeth class, the pupils had fun learning about the mummification process in our Ancient Egypt topic. They demonstrated their understanding by re-enacting the process. The pupils of Victoria class loved learning the song 'Mamma Mia' in music, were proud to perform it to all of the classes in Years 3 and 4.
