

FREE SCHOOL MEALS

For parents of children who currently receive free school meals in Year 6, who will transfer to secondary school in September 2024:

Please follow the guidance below regarding free school meals at secondary transfer:

In most cases, if your child is transferring to a secondary school in Enfield their free school meal entitlement will automatically transfer to your accepted secondary school in September 2024, you **do not** need to make a new application for free school meals for secondary transfer.

However, there are a few secondary schools in Enfield who manage their own process for free school meals, they are:

Aim North London
Ark John Keats
Oasis Academy Enfield
Oasis Academy Hadley
Wren Academy Enfield

If you have accepted a secondary school place at one of the above schools.

For your child's free school meal entitlement to continue, **please contact the school directly for advice on their application process.**

If you have accepted a secondary school place in one of the neighbouring Boroughs.

For example: Barnet, Cheshunt, Haringey etc. For your child's free school meal entitlement to continue, **please contact the Local Authority where the school is located, or the school directly for advice on their application process.**

When your child starts their new school in September 2024.

If they do not receive their free school meal entitlement. Please speak to the school as early in the term as possible, to let them know your child received free school meals at primary school and ask them to investigate this for you.
